About the International School Certificate of Recognition

The School Curriculum and Standards Authority (the SCSA) recognises this school as an institution in a country outside Australia that provides a program based on the Western Australian Early Years Program International, the Western Australian Kindergarten to Year 10 Curriculum International and the Western Australian Certificate of Education International. During the period of validity of this Certificate, the Authority will include this school on the Authority's school provider database and provide the school with copies of the same materials regarding Accredited Courses that the Authority provides to schools in Western Australia.

The Certificate is valid from 1 July 2025 to 30 June 2028 (with the possibility of extension for another two years).

The common seal of the Authority was affixed by authority of the Chair of the Board.
